The following comments were made by email:

**Bill Gloor Swan Lake Fire Commissioner-** Mr. Gloor advised the Board that the current parking is a problem with the fire trucks. He feels there should be not parking on Old White Lake Turnpike and Main Street should not have parking on both sides. He advised that the fire trucks do not fit through.

**Angela Starpoli** - Stated to the Board that nobody uses the parking lot behind the store because they don't want to walk. She feels that Mrs. Tyberg could hire someone to direct cars to the parking lot.

**Nancy Levine-** Advised that Swan Lake Renaissance has \$1,500 that could be used for signage.

**Eli Ravitz-** Would like an exemption to be made for emergency vehicles.  
Attorney Kenneth Klein advised that a legitimate emergency would not be ticketed.
