

Town of Liberty, NY
Draft Miscellaneous Uses
November 4, 2016

The following new text is proposed for Chapter §147-20 Miscellaneous uses, subsection N:

N. Crops, vineyards and orchards

- (1) Crop raising, vineyards and orchards shall not be permitted in any zone other than the AC and RD except where the tract in question is at least 8 acres in size and all farming activities are confined to an area not closer than 50 feet to an adjoining property line or public or private road. These restrictions shall not apply to small non-commercial gardens which are customarily associated with residential home use.
