

Dear Friends,

We are excited to announce the
2nd Annual Volunteer Fair and Community Group Event!

Thank you for participating in the inaugural event last year. Your support and feedback has enabled us to plan an even better event this year. We are doing more outreach to attract prospective volunteers. We hope the new location (Liberty Elementary School) will also attract additional attendees.

Please mark April 22nd on your calendar and plan to join us again this year!

Since the event will take place on **Earth Day**, some organizations have asked to do a **demonstration or activity**. If you would like to do the same, **please let us know** and we will include it in our marketing efforts.

If your group is **looking for volunteers or new members**, please fill out the registration form attached and return it to Carmen by April 14th. See the ideas (left) on hosting a successful table to provide attendees with details about your organization.

If you are **looking to volunteer** just plan to come and we will help you connect with the right opportunity for you!

There is no fee for this event. It is open to anyone looking to connect with the people and organizations **making a difference in our community**. We do ask that you help promote the event to attract as many attendees as possible.

Become a part of the change you want to see!

Your registration can be emailed to Carmen at c.malanka@townofliberty.org. Or, you can call her at 292-5111 with any questions.

Thank you for your continued support!
