2018 MUNICIPAL PARTNERSHIP GRANT PROPOSAL

GOAL:

Town of Liberty to apply for between **$15,000** and **$25,000** from Sullivan Renaissance through the **2018 Municipal Partnership Grant Program** for beautification, code enforcement and health initiatives within our community. The Municipal Partnership Grant program is part of an annual competition with the potential for the town to win additional grants ranging from **$25,000** to **$250,000** to fund future community projects. The deadline to submit a grant proposal is **February 1, 2018**.

The Town and Village of Liberty participated in this grant program in 2016. Projects highlighted in yellow would be included in the 2018 application, but will be funded using winnings from 2016 that must be spent down by June.

PROPOSED PROJECTS:

Beautifying Public Spaces:

1. **Hire a part-time seasonal employee** through Parks & Rec to assist with maintenance of public spaces, who will work alongside a paid intern supplied by Sullivan Renaissance.

2. **Maintain targeted public spaces** in Liberty (traffic circles/La Polt Park), Parksville (O&W Trailhead) and Swan Lake.

3. **Add new landscaping to the Town Hall** also referred to as "Keller Building." The exterior of the 187 year old building has been painted and perimeter drainage completed. The grounds are a blank canvas and are now shovel ready for landscaping once the spring weather arrives.

4. **Install new welcome signs** at key gateways. This is an ongoing project spearheaded by the Liberty Chamber and funded through Sullivan Renaissance winnings from 2016. There is also the possibility of revamping existing welcome signs in Parksville, Swan Lake and White Sulphur Springs.

Building Healthy Communities:

1. **Hanofee Lake Trail** - work collaboratively with ongoing volunteer trail project and create/enhance "fit path" around Sullivan County Adult Care facility.

2. **Walnut Mountain Trail** - Enhancing the existing Walnut Mountain trail by working with the "Friends of Walnut" organization to continue to improve the world class hiking and mountain biking trails, making the trails ADA accessible and adding interpretive signage.

3. **Parksville O&W Trailhead** - Spruce up and maintain trailhead. Add picnic tables, garbage cans, bike racks, etc. to make this park family oriented.

Code Enforcement:

1. Obtain additional resources for the Town of Liberty Justice Court for code violation enforcement and prosecution. Prioritize the focus of violations in highly visible traffic locations.

TOWN COMMITMENT:
Town Board must commit to "match" the amount requested in 2018 Sullivan Renaissance grant funds on a dollar for dollar basis. "In Kind" donation of material, labor and equipment is permitted. There is also the potential to secure matching grant funds from Sullivan County for the welcome sign component.

POTENTIAL PARTNERS/VOLUNTEER ORGANIZATIONS:

- Parksville Renaissance Group
- Swan Lake Renaissance Group
- Friends of Walnut Mountain
- Leadership Sullivan "Class of 2018"
- Liberty Chamber of Commerce
- Liberty Parks and Recreation
- "Spirit of Liberty" organization

Hi. With the grant agreement for WSS Phase 8 returned to OCR, it is time to start thinking about implementation steps.

Professional services: Engineering Services and Administrative Services must be advertised since those services would be paid from the grant.

I suggest following a process similar to what was done last year:
Publish (1) Request for Qualifications RFQ for engineering and (2) Request for Proposals RFP for administration.

Below is a suggested schedule:

January 16 - Motion to advertise via RFQ and RFP for the engineering and administrative consultants

January 19 - Publish legal notices in Friday issue of Sullivan County Democrat

February 9 - Responses due at Town Clerk's Office at 2 PM

February 12 - Distribute copies of responses to Town Board with scoring sheets

February 19 - Town Board reviews scoring in order to determine the Board's top ranked consultants for each service

February 19 - Motion to authorize Supervisor to enter into contracts with top ranked consultants

February 20 - Notify unsuccessful responders by letter

I would model the legal notices on those used for Phase 7 from January-February 2017.

Last year Carmen directly contacted potentially interested firms. We can find that paperwork with her help.

Let me know if my proposed schedule and approach is practicable.

Thanks

Mark Blauer
