

SULLIVAN COUNTY
DEPARTMENT OF SOLID WASTE & RECYCLING
100 NORTH STREET, P.O. BOX 5012
MONTICELLO, NY 12701-3835

MEMO TO: Sullivan County Involved Agencies and Municipalities
FROM: Bill Cutler, Recycling Coordinator
DATE: July 10, 2019
SUBJECT: **Two Residential Household Hazardous Waste Collection Events Planned**

Residentially-generated hazardous household materials [pesticides, mercury-containing items, cleaning products, pool chemicals, fluorescent bulbs, fire extinguishers, smoke detectors, lead-based/oil-based paints, solvents, acids, bases, herbicides, old fuels (stale gasoline/2-cycle fuel mix), consumer & automotive batteries, antifreeze and preservatives, just to name a few] can be dangerous to people and the environment if stored for extensive periods of time or disposed of improperly.

The Sullivan County Department of Solid Waste and Recycling through support of the Sullivan County Legislature is pleased to announce that it will host two residential Household Hazardous Waste Collection Events in 2019. The first is scheduled for **Saturday, July 27, 2019 from 2:30 PM – 5:30 PM**. The second event is scheduled for **Sunday, August 25, 2019 from 9:00 AM – 2:00 PM**. Both events will be staged at the Monticello Transfer Station – Scalehouse area, 91 Landfill Drive, Monticello, NY 12701. This program is open to individuals with residences in Sullivan County **ONLY**. For preparedness, event participant preregistration is required. Please call 845-807-0291 (with list of household chemicals) between 9:00 AM and 3:00 PM weekdays prior to each event to pre-register.

A private HHW contractor has been selected by the County to conduct all cleanup operations, including site safety, waste analysis, materials packaging, transport, waste manifesting and site security. Important safety and contact information will be available at the Monticello Transfer Station Scalehouse during the event. A copy of the **2019 HHW Event Work Plan, Registration Form and NYSDEC HHW Event Approval Letter** are available for inspection if desired. Please feel free to participate in this environmentally-beneficial cleanup program!

For additional information about this household hazardous waste cleanup event or questions about hazardous materials and proper disposal in general, please contact Bill Cutler, Recycling Coordinator, at 845-807-0291. Thank you.

Bill Cutler, Recycling Coordinator
