

Questions:

1. Can you get a zero percent loan for 10 million instead of 20?
2. Green Hills is already building more houses Swan Manor wants more. Who is the third? You mentioned three last night.
3. I'm absolutely in favor of a plant upgrade; I cannot possibly be in favor of the expansion as presented. Double the number of homes now connected will be an absolute disaster for Swan Lake. That amount of homes equals more traffic (especially on Stanton Corner), and more problems in every respect. We have enough problems as is and this will only increase them tenfold.
